† - A minimum annual revenue per battery is required to provide pipeline service. Any revenue shortfall shall be billed at the end of each calendar year. The minimum annual revenue per battery remains unchanged at \$107,000 for 2019.

Batteries requiring additional services shall be contacted and an agreement will be put in place to cover the extra costs. Services such as receipts from other facilities, Custom Trim Blending or Storage can be negotiated on a term basis.

Notes:
